

BOTTLE STAND

TECHNICAL FEATURES

Versions 2

Weight 12 Kg
26,4 Lbs

Material Stainless steel

Bottle capacity 1 Liter - 12 units/basket
0,5 Liter - 18 units/basket
0,25 Liter - 24 units/basket

Perfect accessory for self-service places such as supermarkets, buffets...

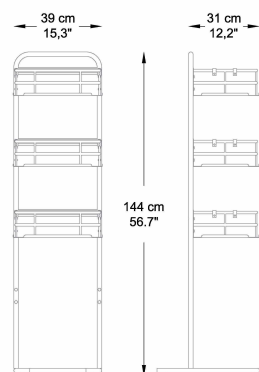

There are two versions of this accessory available.

Both models have three fixed baskets that adapt to all bottle diameters thanks to their adjustable separators, which allows the internal distribution of the baskets to be modified at any time.

In addition, an extra basket can be added to give the bottle rack more capacity.

VERSIONS

+ Independent structure

+ Structure anchored to stand
